A. All programs that participate in the Main Match must register and attempt to fill all of its positions through the Match or another national matching plan. A "program" is defined by its ACGME number.

B. The All-In Policy applies to positions for which the NRMP offers matching services:
   a. All PGY-1 positions as well as PGY-2 positions in specialties accredited to begin at either the PGY-1 or PGY-2 level, regardless of whether the program begins in the PGY-1 or PGY-2 year.
   b. PGY-2 positions that are "Reserved" ("R") for applicants who are eligible to begin advanced training in the year of the Main Match.
   c. PGY-3 positions in Child Neurology.

C. PGY-2 or higher positions, in specialties accredited to begin only at the PGY-1 level, and PGY-3 or higher positions in specialties accredited to begin at either the PGY-1 or PGY-2 level are not subject to the Policy because the NRMP does not match for those positions.

E. Exceptions

   b. Off-cycle appointments: positions becoming available after the Match opens in September and for which training would begin prior to February 1 in the year of the Match. If training would begin after January 31, the position must be filled through the Match.
