Lunch provided for first 50 attendees

TMC Innovation

Lance M. Black, MD, MBID
Associate Director
TMCx
Texas Medical Center Innovation Institute

Dr. Black will provide an overview of the TMC Innovation Institute. The TMC Innovation Institute is a unique learning environment aimed at impacting the health care industry through the collaboration of medicine and cutting-edge technology from around the world. By supporting entrepreneurs as they broaden their vision and network, TMC Innovation Institute helps companies take their products from bench to bedside.
