

GETTING YOUR COINSURANCE ESTIMATES

The HR Hub wants to provide you information that will help you manage your health care costs.

Houston Methodist employees pay coinsurance for major diagnostic tests, therapeutic outpatient treatments, outpatient surgery, hospital admissions, long-term acute care and skilled nursing facilities. We recognize that you may need to know ahead of time how much your coinsurance will be.

The Patient Financial Services Department may provide an estimate when an employee calls. Ensure that you have all the appropriate information (i.e. CPT codes, etc.). Here's the contact information for each hospital.
