YEAR 4							
Block	1	2	3	4	5	6	7 - 13
Site	Site 1	Site 1	Site 1	Site 2	Site 1	Site 1	Sites 1 or 2
Rotation Name	Breast 4	Nuclear/PET 4	GI/GU 6	Pediatric 3	Night Float 4	Night Float 5	Electives/Mini-Fellowships
% Outpatient	100%	75%	65%	60%	75%	75%	
% Research	3%	2%	2%	5%	1%	1%	

NOTES:

Possible electives:

NeuroRadiology – Site 1

Musculoskeletal – Site 1

Vascular and Interventional – Site 1

Cardiothoracic Radiology – Site 1

Breast Radiology – Site 1

GU/GI – Site 1

Pediatric Radiology – Site 2

Ultrasonography – Site 1

Radiology Business Practice – Site 1

Nuclear Radiology – Site 1

*AIRP – American Institute for Radiologic Pathology – Four Week Radiologic Pathology Correlation Course (3rd year)

¹PGY1 Residents receive 16 days of PTO (Paid Time Off) for sick, vacation, and personal leave. PGY2 and above residents receive 21 days of PTO. Residents are encouraged to take PTO during their rotations at Site 1. Most requests for PTO can be accommodated on any of the scheduled 13 week block rotations.
