

# CONNECT WITH A CANCER HERO

We are pleased to provide the **Houston Methodist Neal Cancer Center Hero Network**.

A new cancer diagnosis can leave many patients feeling anxious or overwhelmed. Talking to a fellow cancer survivor — a “hero” — through the Houston Methodist Neal Cancer Center Hero Network can help.

Our telephone-based support program matches patients with Houston Methodist cancer survivors who faced the same type of cancer or underwent similar treatments. Our heroes are trained to talk with patients about their anxieties and concerns, share their own personal journeys, provide encouragement and explain what patients can expect during cancer treatment.

If you would like to be matched with a Neal Cancer Center Hero, please complete the attached form and return it to a Houston Methodist Neal Cancer Center oncology nurse navigator.

For more information, please contact the staff at the phone number or email address listed below.
