SOCIETY
FOR LEADING MEDICINE

Generosity is at the heart of Houston Methodist's mission to save lives.

Bold. Compassionate. Aspirational. Donors to Houston Methodist play a critical role in our shared purpose — to deliver best-in-class care that advances medical research, the patient experience, and the training and education of future generations of health care leaders.

Houston Methodist Hospital ranks No. 1 in Texas, and our network hospitals are preferred destinations for foremost health services in communities across Greater Houston. Steadfast support from philanthropic friends like you contributes to this thriving ecosystem, one in which our physicians, scientists, educators, patients and donors each play a vital role. Working together, we stand deeply connected to a unified vision of care.

To express our gratitude, the Houston Methodist Hospital Foundation established the Society for Leading Medicine to acknowledge and thank our generous community. This recognition program celebrates individual donor annual giving contributions in support of the exceptional work of Houston Methodist.

Frequently Asked Questions

Q: When I make a gift, is there anything additional required to be recognized in the Society for Leading Medicine?
A: Yes. We ask all donors to consent to a Statement of Shared Values. This agreement provides clarity on the shared values of respect, integrity and partnership that define the Houston Methodist community.

Q: What happens if I make more than one gift before my Society renewal date?
A: If a new gift elevates your total annual giving to a higher Society tier, you will begin receiving recognition at the new level and your renewal anniversary will reset. For example: If Mr. and Mrs. Smith make a $2.5K gift in January 2026 and another $2.5K gift in October 2026, their total is now $5K, qualifying them for new recognition at the Leadership giving level. This recognition will run from October 2026 through October 2027, reflecting the anniversary of their additional qualifying gift.

Q: How long will my valet parking card be valid?
A: Valet parking cards at the Distinguished giving level will be renewable on an annual basis.
